## **WELCOME BACK MUSTANGS!**

Thank you everyone for your support and cooperation during our reopening. By adhering to our new routines for entry and dismissal, you have helped us enormously. It is fantastic to see so many of our Mustangs back and to welcome many new Mustangs as well. Please remember to take some time to read all of the information sent out already this year including the "Welcome Back Mustang's" resource, and the "DSBN Parent Return to School Guide: In-Class Elementary". In order to reduce the amount of paper going home, going forward monthly newsletters will be posted on our website. You will receive notification through email when it is posted.

## **FORMS, FORMS, FORMS!**

Please visit School Cash Online to complete the forms that were posted last week. In addition, Verification forms are going home today and need to be returned by Monday, September 21. If you are having difficulty accessing your School Cash Online account, please contact the school.

## **PREVALENT MEDICAL CONDITIONS**

In our "Welcome Back Mustangs" guide, there were links provided to complete all necessary paperwork for any child with a prevalent medical condition (Anaphalaxis, Asthma, Diabetes, Epilepsy and others). If you need more information please contact the school.

## **School Advisory Council**

If you are interested in joining our school advisory council please email [lisa.scheer@dsbn.org](mailto:lisa.scheer@dsbn.org). We will meet virtually (through Microsoft Teams). Before choosing a time and date, we will look at interest and availability in order to set a time and date that works best for the majority of our council. We welcome new members!

## **Dress for the weather please!**

Please send your child to school dressed appropriately for the weather. We are encouraging use of our outdoor space as often as possible, so our students are spending more time outside.

## **Return of Technology**

If you have returned to school and still have borrowed technology at home, please return it to the school as soon as possible. We would like to redistribute this technology to the classrooms for student use.
