

Welcome to James Morden Elementary School! "Home of the Mustangs"

September 2017

Dear Mustang Families,

Welcome to the start of an exciting new year at James Morden. We look forward to working with everyone in our school community to provide our students with outstanding educational and extracurricular programs. We are committed to the District School Board of Niagara's vision, "I Matter". Educating children at James Morden is a team effort. We look forward to working with you to ensure your children know they matter.

The entire staff at James Morden is an energetic group that works hard to encourage participation and develop each child's self-esteem. We will continue to celebrate student success in a variety of ways including recognition assemblies, newsletters, the school website www.jamesmorden.dsbni.org.

This is your school. Please feel welcome to share your ideas and suggestions. You are a valued and appreciated part of the James Morden community. We look forward to seeing you at the Open House later in September!

Important Information

Along with this letter are several important pieces of information that need to be completed and returned to the school. Be sure to fill in both sides of the **Student Verification Form**. Side two of the form refers to the collection and sharing of student information. It is imperative that this form be read over carefully by the parent. If corrections need to be made, please print clearly. The following forms need to be filled in and returned to your child's homeroom teacher, as soon as possible.

Students will be bringing home a **Student Accident Insurance** pamphlet. We recommend that you consider taking advantage of this coverage; please follow the directions on the form.

Agendas will be given to some students to help with communication between home and school. We ask that students bring in **\$5.00** to offset the cost of the agenda. If your child does not have one, their teacher has elected to use D2L and more information will be sent to you directly by them.

Please take some time to review these important documents with your child.

We look forward to an exciting year!

Yours truly,

Ms. Welsh, Principal
Ms. Poirier, Vice Principal
